The JAGUAR BOOSTER CLUB Presents

The 3rd Annual
PAINT THE NIGHT PURPLE
A Fundraising Auction
March 2020

Dear Friend,

Great schools make a great community, but it takes a community to make a great school! That's where you come in!

State funding for education still falls short of providing special programs and opportunities offered uniquely at North Creek High School. The Jaguar Booster Club supports all clubs and athletics at NCHS.

The JBC has a mission to cultivate an environment that inspires students, advisors, coaches, parents and the community to collectively create a positive and spirited atmosphere for all activities. Our desire is to build strong character and academic excellence in students while seeking to raise funds for North Creek High School activities. We aspire to build our community, support each other, strengthen all activities and provide opportunities for participation.

 We invite you to join our mission: Funds received will be used to further enhance and enrich the high school experience for North Creek's students and families. These funds also help provide scholarships for students who might otherwise not be able to participate. Your contribution will allow us to maintain our goals and continue to serve the North Creek High School community and its students while providing an excellent advertising tool for you.

Your support, at any level, will be greatly appreciated. By participating with a cash donation, an item of value, a service or a gift certificate you will be given written acknowledgment in the auction program. All contributions are welcome. Donations will help build a great program for our amazing North Creek High School community.

A donation form is attached to this letter. This form will assist you in making your contribution. Jaguar Booster Club is a registered 501c3 non-profit organization, Tax ID# 82-1287569.

The Jaguar Booster Club thanks you for your commitment to our students and your support in this very special event.

Sincerely,

JBC Auction Committee 2020
